## **NEW REQUIREMENT FOR AML PROGRAMS AND SAR REPORTS**

*Once again, as we have said before, please do not throw things at the messenger.*

Today, February 7, 2012, the Financial Crimes Enforcement Network finalized rules applicable to non-bank residential mortgage lenders and originators. These new regulations establish anti-money laundering programs and suspicious activity reports. Attached to this email is a copy of the notice of this release. The compliance date for this final rule is 6 months after publication in the Federal Register.
